

**LIBRARY RECOMMENDATION FORM**  
*Encyclopedia of Life Support Systems (EOLSS)*  
**www.eolss.net**

The Largest On-line Encyclopedia - An Integrated Virtual Library

Dear Librarian/ Library Acquisition Committee,

*Encyclopedia of Life Support Systems* - with contributions of several thousand scholars, from over 100 countries and edited by over 395 subject experts. The Encyclopedia is **integrative and transdisciplinary in nature** and will be of interest to the education community. EOLSS represents the theme of humanity, embedded in nature and constrained to find ways of maintaining a relationship with nature based upon understanding and respect.

**EOLSS IS AN INTEGRATED COMPENDIUM OF TWENTY ENCYCLOPEDIAS**

Earth and Atmospheric Sciences  
Mathematical Sciences  
Biological, Physiological and Health Sciences  
Biotechnology  
Tropical Biology and Conservation Management  
Land Use, Land Cover and Soil Sciences  
Social Sciences and Humanities

Development and Economic Sciences  
Institutional and Infrastructural Resources  
Technology, Information and System Management Resources  
Area studies (Africa, Brazil, Canada and USA, China, Europe, Japan, Russia)

I strongly recommend that our Library subscribe to the *Encyclopedia of Life Support Systems* for the following reasons (tick as appropriate):

- I will be referring my students / colleagues to this **Digital Library** regularly to assist with their studies and research.
- EOLSS will enhance the Library's reference base with the **knowledge for our times** and will be valuable addition to the organization's scientific resources.
- EOLSS online is made available **free** of charge through UNESCO to Universities in

the UN list of least developed countries and to disadvantaged individuals worldwide.

Subscription using the **Preference code 'PA17452'**, qualifies the library to get free trial (institutional) access for five months. This offer is absolutely free of charge and there are NO hidden costs.
